

Hello ,

This is TopSolid'News of the last few weeks.

TOPSOLID teams wish you a merry christmas and the very best for 2020!

#ZOOM CUSTOMER SOMEFLU

This French family company
(75 people and over €10M total sales in 2019)
is a good example of success...

Specialized in the design and manufacture of anti-corrosive plastic centrifugal pumps, it operates mainly in the niche market of anti-corrosive pumps, emphasizing customization, quality, innovation, and expertise in order to respond to specific needs while aiming to implement a digital chain worthy of the factory of the future.

This integration is facilitated by the choice of TopSolid solutions, which aim to enhance quality and flexibility.
